Magic Water is an instant conditioner with a unique smoothing action and light texture enriched with Hyaluronic acid and Moringa seeds. In a few seconds, it magically transforms hair with a bright and silky appearance and feel. Magic Water is ideal for all hair types delivering visible effects on the first application. Magic Water provides manageable, soft, shiny, and supple hair.

IMMEDIATE ACTION

DIRECTIONS

Shampoo hair and rinse. Apply Magic Water abundantly and massage 7 seconds into hair from roots to ends (until a light foam appears), then rinse. If additional conditioner is needed, apply then rinse.

ITELY HAIRFASHION is committed to creating an eco-friendly environment as well as the use of emerging technologies in the production of its extensive line of environmentally friendly products.
